Introducing The Good Culture Range

Green Tea Base
(Manna-K™)

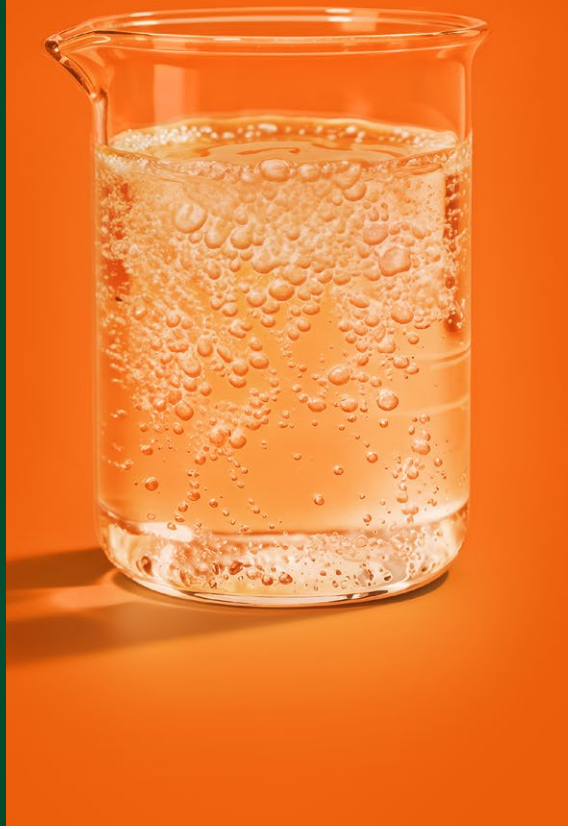

Green & Black Tea Base
(Manna-KX™)

Black Tea Base
(Manna-KN™)

Water Kefir Base
(Manna-FIR™)

Organic Green Tea Kombucha Base

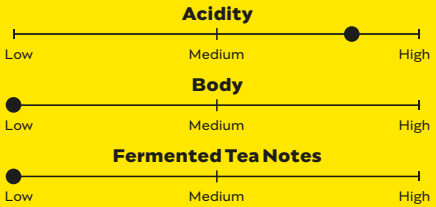

Product Code: Manna-K™

Long-fermented for up to six months, our organic fermented green tea base brings bold levels of organic acids - without the sugar or alcohol.

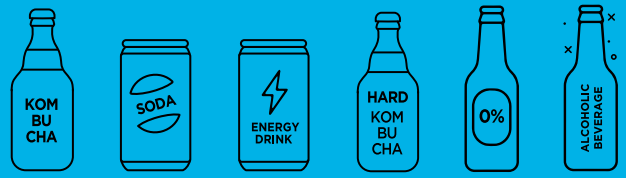

Bright, lean, elegant and super refreshing, it's the perfect starting point for building a functional drink with wide-appeal - and that feels as good as it tastes.

- 20x Strength
- Stable, Consistent & Alcohol Free
- All Natural Ingredients
- Supports Sugar-Free Claims
- Increase Manufacturing Capacity
- Reduce Manufacturing Lead-Times

Kombucha Sensory Profile

Perfect For:

Available: Raw & Pasteurised

Organic Green & Black Tea Kombucha Base

Product Code: Manna-KX™

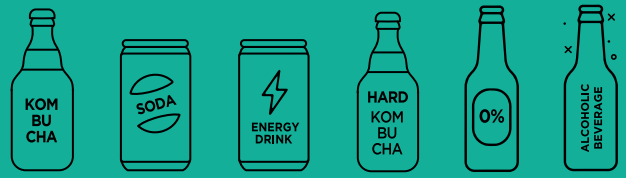

Fermented with a perfectly balanced blend of green and black teas, this base brings together the best of both worlds. You get the rich, bold, earthy depth of black tea and the crisp, zippy, bright acidity of green tea – all in one. The result? A powerful, balanced, complex fermented base that's ready to help you craft a truly standout functional beverage.

- 30x Strength
- Stable, Consistent & Alcohol Free
- All Natural Ingredients
- Highest Quality
- Reliable, Consistent & Efficient

Kombucha Sensory Profile

Perfect For:

Available: Raw & Pasteurised

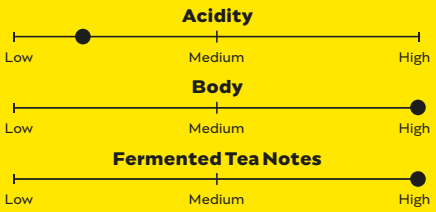

Organic Black Tea Kombucha Base

Product Code: Manna-KN™

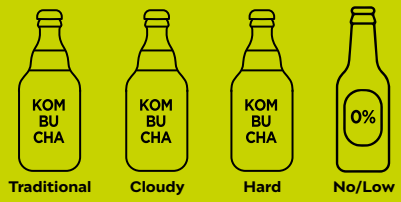

Looking for something bold and brewed? This organic-certified cloudy black tea base is deeply fermented, alcohol-free and packed with tea character. Thanks to its long fermentation time and high tea concentration, it's full-bodied, robust and powerful - in a good way. Blend it with one of our other bases to find that perfect balance of tea and tang for a functional drink that's as tasty as it is sophisticated.

- 7x Strength
- Stable, Consistent & Alcohol Free
- All Natural Ingredients
- Increase Manufacturing Capacity
- Reduce Manufacturing Lead-Times

Kombucha Sensory Profile

Perfect For:

Available: Raw & Pasteurised

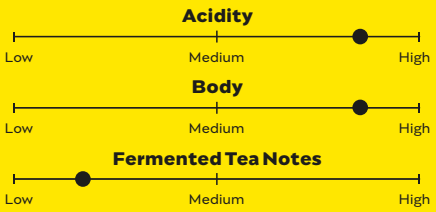

Organic Water Kefir Base

Product Code: Manna-FIR™

Made with real kefir grains and long-fermented using tea as a nutrient source, this organic-certified base delivers a clean, tart kick - full of lactic acid goodness but completely dairy-free. It's smooth, versatile, and plays well with just about any flavour you throw at it. Whether you're going bold, fruity, floral or fresh, this base gives you a great foundation to build a functional drink your customers will love.

- 20x Strength
- Stable, Consistent & Alcohol Free
- All Natural Ingredients
- Increase Manufacturing Capacity
- Reduce Manufacturing Lead-Times

Kombucha Sensory Profile

Perfect For:

Available: Pasteurised
